ET80/ET85 Rugged 2-in-1 Tablet

The dependable Windows tablet created for the workers the world depends on

Every day, we depend on the workers that are essential to our way of life — from first responders that protect our communities to field service teams that maintain utility infrastructure to manufacturing production line workers that make the products that we rely on. These vital workers need more than just a rugged tablet. They need a tablet that is tailored for the indispensable work they perform. And the ET80/ET85 delivers. With support for the advanced wireless connectivity of WiFi 6E, 4G/5G and more, these tablets keep workers connected to the information and people they need, every minute of every shift. As workers move from the field to a vehicle to inside a facility, these tablets can instantly transform into a laptop or a full fixed or mobile workstation to best meet
