to deliver superior colour accuracy and exceptionally quick performance, making it an essential tool for serious esports players and competitive gamers.

Unrivaled Speed and Fluidity

The GB2470HSU ensures ultra-smooth, blur-free gameplay, allowing you to react instantly to in-game situations. Its impressive specifications virtually eliminate input lag and motion artifacts.

- **Blazing 180 Hz Refresh Rate:** Provides extremely fluid motion rendering, crucial for fast-paced games and reducing motion blur.
- **Lightning-Fast 0.2 ms MPRT Response Time:** Minimizes ghosting and smearing, ensuring sharp images even during rapid camera movements.
- **VESA Adaptive Sync Support:** Synchronizes the monitor's refresh rate with your GPU's frame output, eliminating screen tearing and stuttering for seamless visual performance.
- **Black Tuner Technology:** Adjust brightness and dark shades dynamically, improving visibility in shadowed areas, giving you a clear advantage over opponents lurking in the dark.

Fast IPS Panel and Full HD Detail

Featuring a 23.8-inch Full HD (1920 x 1080) IPS display, the monitor delivers vibrant, accurate colours (16.7 million) and wide viewing angles of 178°/178°. The typical brightness of 300 cd/m² combined with a massive 80,000,000:1 dynamic contrast ratio ensures images are punchy and detailed. Furthermore, the integration of Flicker-Free technology and Eyesafe 2.0 certified Low Blue Light filters significantly reduces eye strain during marathon gaming sessions.

Ergonomics and Connectivity Hub

The G-MASTER Red Eagle is equipped with a versatile, fully adjustable stand designed for maximum comfort and flexibility. It also serves as a robust connectivity hub:

- **Full Ergonomic Stand:** Features 15 cm height adjustment, swivel (-45° to 45°), tilt (-5° to 23°), and pivot (0° to 90°) capability, allowing perfect alignment for any setup.
- **Integrated USB 3.2 Gen 1 Hub:** Includes four convenient USB Type-A downstream ports for connecting peripherals and charging devices directly from the monitor.
- **Built-in Audio:** Two integrated 2W stereo speakers (4W RMS total) provide quality sound without the need for external peripherals.
