The iiyama G-Master GB3290QSU-B1, known as the Gold Phoenix, is engineered for competitive gaming. Featuring a massive 31.5-inch screen combined with Quad HD (2560 x 1440) resolution, this monitor delivers incredible visual clarity and detail. The fast IPS panel technology ensures stunning colors and wide 178° viewing angles, making it perfect for immersive gameplay where every visual detail counts.

Unmatched Speed and Seamless Performance

- Experience ultra-smooth gameplay thanks to the blistering 240Hz refresh rate, ensuring every frame is rendered instantly.
- Achieve precise, blur-free motion with a rapid 1ms MPRT (Moving Picture Response Time) response time.
- Benefit from AMD FreeSync Premium and Variable Refresh Rate (VRR) technology, which synchronizes the display's refresh rate with your fluctuating frame rates, completely eliminating screen tearing and stuttering, even when connected to compatible consoles.

Optimized Visual Clarity

- QHD (Quad HD) 2560 x 1440 resolution provides significantly more screen space and sharper images compared to standard Full HD displays.
- The IPS display panel technology offers superior color reproduction and contrast crucial for AAA titles and content creation.
- Utilize the Black Tuner feature, which enhances visibility in shadowed areas, allowing players to spot hidden opponents and critical details without overexposing brighter parts of the scene.

Ergonomics and Connectivity

- Designed for long gaming sessions, the monitor includes a highly flexible, height-adjustable stand, offering up to 15 cm of vertical adjustment to ensure optimal viewing comfort.
- Features a convenient built-in USB hub (USB 3.2 Gen 1) with four ports, making it easy to connect peripherals and keep your desktop organized.
- Includes integrated speakers, providing immediate audio output straight out of the box.

iiyama is a trusted global leader in professional display technology, known for its dedication to quality, performance, and outstanding reliability in both competitive gaming and corporate
