Durable, ergonomic and flexible are the terms that describe our desktop set, the CHERRY DW 5100. Every feature of this multi-user-capable desktop set is impressive. Due to extremely economical power consumption, battery lifetimes of up to 2 years for mouse and keyboard are possible. The keyboard with abrasion-resistant laser marking has ten practical additional keys for office and multimedia applications. Thanks to its ergonomic shape, the 6-button mouse is perfect for right-handed users. You can navigate your cursor precisely and quickly with a resolution that can be adjusted in 2 stages. A non-slip rubber application on the side provides the right grip. The compact design of the nano USB receiver does not disturb the user and can be left in the notebook. This means that desktop set is perfect in every respect for daily use and ideal for professional workstations.
