CHERRY DW 9100 SLIM Keyboard and Mouse Set

The CHERRY DW 9100 SLIM desktop set combines innovative functions, excellent craftsmanship, and a very flat, stylish design. Connect the wireless mouse and keyboard via the included 2.4 GHz wireless USB receiver or through Bluetooth®. Instantly switch between connection types using a dedicated switch on the mouse or keyboard. This allows you to connect, for example, a laptop via Bluetooth® 4.2 and a PC via a wireless connection, operating both with the same desktop set. Data

is transferred using AES-128 encryption in both modes. The 10-meter range is perfect for multimedia applications on TVs.

Features:

- Connect via 2.4 GHz wireless USB or Bluetooth® 4.2.
- AES-128 encryption for secure data transfer.
- Rechargeable lithium batteries for weeks of use.
- Convenient USB-C charging, even while working.
- Integrated metal plate for optimal sturdiness and stability.
- High-quality scissor mechanisms for an ideal typing experience.
- Status LEDs for CAPS LOCK, SCROLL, and NUM keys.
- Six additional convenient keys: Windows lock, Open browser, Quieter, Louder, Mute, and Open calculator.
- Adjustable mouse resolution: 1000, 1600, or 2400 dpi.
- Durable mouse wheel with optical scanning.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks. Charge the wireless mouse and keyboard conveniently using the included USB-C cable, even while working. To preserve battery life during extended periods of non-use, the keyboard and mouse can be completely switched off.

The keyboard includes an integrated metal plate for optimal sturdiness and stability. Adjust the typing angle using the removable magnetic strip. The metal plate prevents bending and bouncing while typing, ensuring high stability.

High-quality scissor mechanisms with a low key stroke ensure an ideal typing experience. Status LEDs integrated directly in each key indicate whether CAPS LOCK, SCROLL, and NUM keys are active. These keys also flash to warn of low battery. Six additional keys provide convenient access to frequently used functions: “Windows lock”, “Open browser”, “Quieter”, “Louder”, “Mute” and “Open calculator”.

The wireless mouse complements the keyboard with its rubber-coated side parts and compact design. The resolution is adjustable in three stages: 1000, 1600, or 2400 dpi. A two-color status LED provides information on battery status, charging status, selected resolution, or connection status. An extra-durable mouse wheel with optical scanning and a magnetic storage for the USB receiver

Rechargeable designer desktop with many extra features

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and very flat design. You can connect the wireless mouse and keyboard with the 2.4-Ghz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in an instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The 6 additional keys have proved to be extremely convenient and practical:

“Windows lock”, “Open browser”, “Quieter”, “Louder”, “Mute” and “Open calculator”.

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user's hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 1600 or 2400 dpi. A two-color status LED provides the user with information on the battery status, the charging status, the selected resolution or the connection status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless for mobile working, in the office or home office. The DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are flexibly equipped for all eventualities.
