## j5create JVA11 4K HDMI™ Capture Adapter

Record or stream high-resolution video content with the compact j5create JVA11 4K HDMI™ Capture Adapter. The included USB-C® cable comes with a USB™ Type-A adapter, ensuring broad device compatibility. It's designed to work seamlessly with various video capture software, while USB™ 3.2 support guarantees high-quality streams and recordings. The adapter's small size makes it exceptionally portable and easy to store, making it an ideal tool for video podcasts, field production, and capturing gameplay footage.

### Features:

- Supports video capture resolutions up to 3840 x 2160 pixels.
- Compatible with USB 3.2 Gen 1 for high-quality streaming and recording.
