- **Consistent Image Quality:** Wide viewing angles (178/178 degrees) ensure consistent colors and detailed images from any viewing position.
- **Bezel-Less Design:** The 3-sided bezel-less design maximizes screen space and enables nearly seamless multi-monitor setups, enhancing both viewing experience and productivity.
- **Eye Comfort:** Equipped with flicker-free backlight and a blue light filter to reduce eye strain during prolonged use, promoting a comfortable viewing experience.
- **Flexible Connectivity:** Multiple input options, including DisplayPort, HDMI, and VGA, allow easy connection to PCs, laptops, and other high-definition devices.
- **Integrated Speakers:** Built-in dual 1W speakers provide convenient audio for multimedia content.
- **Clutter-Free Workplace:** The cable management system helps organize signal cables and power cords for a tidy workspace.
- **VESA Mount Compatible:** Compatible with 75 x 75mm VESA mount standards for flexible installation options.

**AG Neovo** is a technology company known for its high-quality display solutions, combining innovative design with reliable performance. Their monitors are designed to enhance both professional and personal experiences.

The LA-2402 is a 24-inch monitor featuring Full HD 1080p resolution, flicker-free technology and a blue-light filter that can meet eye comfort and daily use requirements. Featuring a 178/178 degrees wide viewing angle, a 20,000,000:1 dynamic contrast ratio and multiple connectivity options —DisplayPort, HDMI, and VGA — this desktop monitor with frameless design brings users visual enjoyment both at the workplace and in the home.

### **Consistent Image Performance at Every Angle**

By adopting wide viewing angle panel, this monitor delivers consistent colors and detailed images with the same image quality whether you are looking at the screen from above, below, the front, or the side.

### **Bezel Less Design**

The 3-sided bezel-less design broadens the screen space. It allows for multiple monitor setups with a reduced bezel gap, which won't just let you enjoy a nearly seamless viewing experience, but also enhance productivity at work.

### **Eye Comfort**

Eye comfort figures high on the list of strengths that define the LA-Series. The flicker-free backlight and blue light filter of the LA-Series ensure a comfortable viewing experience by reducing eyestrain after long periods of use.

### **Flexible Connectivity and Multimedia Options**

Given its multiple input options including DisplayPort, HDMI and VGA, you can easily connect an LA-Series monitor to your PC, Laptop or high-definition devices to make the LA-Series a competent multimedia platform.

### **Integrated Dual Speakers**

Integrated with dual 1W speakers, the LA-2402 provides sound effects for multimedia content.

### **Clutter-free Workplace**

The cable management design on the stand keep helps you to well organize the multiple signal cables and power cord and keeps the workspaces neat and free of cable clutter.

### **VESA Wall Mount Compatible**

The LA-2402 monitor is compatible with a 75 x 75mm VESA mount standard, making it easy to fit flexible installation in the workplace.
