detailed document editing, and multimedia consumption. The advanced IPS panel technology guarantees ultra-wide 178-degree viewing angles and consistent, true-to-life color reproduction, allowing you to see the screen clearly from nearly any perspective.

Productivity is further enhanced by the smooth 100 Hz refresh rate. This improved responsiveness reduces motion blur compared to standard 60 Hz displays, offering a noticeably better experience whether you are scrolling through spreadsheets, multitasking, or enjoying casual entertainment.

Key Features for Productivity and Ergonomics:

- **Superior Visuals:** 24-inch Full HD (1920 x 1080) resolution on a 16:9 native aspect ratio for high detail.
- **IPS Panel Technology:** Provides accurate colors and ultra-wide 178° horizontal and vertical viewing angles.
- **Smooth Motion:** Enhanced 100 Hz Refresh Rate combined with a fast 5 ms response time ensures smoother visual experience and reduced ghosting.
- **Integrated Connectivity:** Built-in USB 2.0 Hub for easy connection of peripherals, simplifying cable management and desktop organization.
- **Adjustable Comfort:** Ergonomic stand features height adjustment capability for finding the optimal viewing position, alongside VESA mounting compatibility for versatile setup options.

SAMSUNG is a global leader in technology, renowned for its innovative displays and unwavering commitment to producing quality consumer electronics that enhance daily life and professional performance.
