IPS panel, ensuring you see every detail and react instantly in the most demanding titles. Prepare for an immersive, tear-free gaming experience.

Unrivaled Speed and Responsiveness

React in real time and dominate the battlefield. The Odyssey G4 virtually eliminates lag and motion blur, giving you the critical edge needed for high-stakes competition.

- **240Hz Refresh Rate:** Experience exhilarating gameplay with ultra-smooth action and no noticeable lag, ensuring fluid screen movement during fast-paced scenes.
- **1ms (GtG) Response Time:** Jump on enemies the moment you see them. The rapid 1ms Gray-to-Gray response time delivers blur-free frames for exceptional clarity.

Vivid Visuals and Clarity

Escape into reality-defying realism thanks to superior panel technology. The IPS panel ensures accurate color reproduction and wide viewing angles (178°), maintaining clarity from virtually any viewpoint.

- **Full HD Resolution (1920 x 1080):** Provides detailed visuals, ensuring games are closer to reality than ever before.
- **IPS Panel Technology:** Delivers clear, vibrant colors and consistent image quality across a wide 178-degree viewing angle.

Adaptive Synchronization for Perfect Flow

Focus without ever breaking your flow. This monitor supports industry-leading adaptive sync technologies to synchronize the GPU and panel, eliminating visual distortions.

- **NVIDIA G-SYNC Compatible:** Ensures effortlessly smooth gameplay by minimizing choppiness, screen-lag, and image tears when paired with compatible NVIDIA graphics cards.
- **AMD FreeSync Premium:** Provides stable and stutter-free performance during fast-action and complex game scenes.

Enhanced Gaming Features and Ergonomics

Customize your viewing experience and reveal hidden sides of the game with specialized features.

- **Ultrawide Game View (21:9):** Adjust your screen ratio to 21:9 to discover hidden areas in game scenes, providing a wider perspective for tactical advantages in compatible titles.
- **Auto Source Switch+:** Power on for instant play. The monitor automatically detects when a connected device is turned on and instantly switches to that source signal, saving you time.
- **Ergonomic Stand:** Find total gaming comfort. The stand allows you to swivel, tilt, and adjust the monitor's height freely until all enemies are in perfect view.

SAMSUNG is a globally recognized leader in electronics and technology, known for producing innovative and high-quality display solutions that set industry standards.

Order the Samsung Odyssey G4 monitor today from ++SHOP++ and experience the next level of competitive gaming performance.

Boost your reality

FHD resolution & IPS panel

Escape into reality-defying realism. You can see games like never before. IPS panel delivers clear colors and a wide 178° viewing angle for clarity from any viewpoint. With more pixels and greater depth, games are closer to reality than ever before.

React in real time

240 refresh rate & 1ms (GtG) response time

Speed through scenes. 240Hz refresh rate eliminates lag for exhilarating gameplay with ultra-smooth action. Jump on enemies right when you see them with a 1ms (GtG) response time and blur-free frames.

Focus without ever breaking flow

Nvidia G-Sync compatible

Effortlessly smooth gameplay. G-Sync compatibility keeps the GPU and panel synced up to eliminate choppiness, screen-lag, and image tears. Fast-action and complex game scenes are stable and stutter-free with AMD FreeSync Premium for your competitive edge.

Reveal the game's hidden sides

Ultrawide Game View

Keep your eye on the win. Adjust your screen to 21:9 to discover hidden areas in game scenes with Ultrawide Game View. Now when you play soccer games, see more of the pitch right up to the goalposts. And in driving games, get a natural and encompassing view of the road ahead.

Connect automatically, in an instant

Auto Source Switch+

Power on for instant play. With Auto Source Switch+, your monitor detects when connected devices are turned on and instantly switches to the new source signal. This helps you get to your game action faster without flipping through multiple input sources.

See your game your way

Ergonomic Stand

Reach the height of winning. Swivel, tilt, and adjust your monitor until all enemies are in perfect view. Your display can be moved freely so you can find total gaming comfort.
