with an ultra-fast refresh rate, ensuring every moment of action is rendered crisply and smoothly.

Unrivaled Gaming Performance

The Odyssey G5 delivers a stunning visual experience powered by QHD resolution (2560 x 1440). This resolution provides significantly more detail than standard Full HD, immersing you deeper into your favorite virtual worlds. Combined with the swift 180Hz refresh rate, lag and motion blur are virtually eliminated, giving you a competitive edge in fast-paced titles.

Key Features for Competitive Play:

- **27-Inch Quad HD (QHD) Display:** Experience superior visual clarity with 2560 x 1440 resolution.
- **Ultra-High 180Hz Refresh Rate:** Ensures buttery-smooth motion, critical for accurate tracking and rapid reactions.
- **1ms Response Time:** Provides instant response times, reducing ghosting and blurring in extreme action sequences.
- **VA Panel Technology:** Offers superb contrast ratios and deep, true blacks, enhancing visibility in dark environments, supported by wide 178° horizontal and vertical viewing angles.
- **Ergonomic Flexibility:** Features VESA mounting compatibility and height adjustment options, allowing you to optimize your setup for maximum comfort during long gaming sessions.
- **Integrated Connectivity:** Includes a built-in USB hub for convenient peripheral connection.

The Samsung Odyssey G5 is built in sleek black, complementing any modern gaming setup. Its LCD technology ensures consistent color reproduction and brightness across the screen.

Samsung is a global leader in technology, renowned for pushing the boundaries of display innovation and delivering premium performance products across consumer electronics categories.
