presentations.

Seamless Connectivity and Effortless Setup

Mobility is key, and the ZenScreen MB166CR simplifies your setup with a single USB Type-C connection. This innovative interface handles both video transmission and power delivery simultaneously, minimizing cable clutter and ensuring you are ready to work or present instantly. Weighing just 780 grams and featuring an ultra-slim profile (1.18 cm), this monitor easily fits into any laptop bag.

Designed for Versatility and Comfort

- **Integrated 360° Kickstand:** The versatile, detachable kickstand allows for easy tilt adjustments in both landscape and portrait modes, ensuring optimal viewing angles wherever you set up.
- **Tripod Socket:** Featuring a built-in rear tripod socket, the MB166CR offers enhanced mounting flexibility for professional setups or shared workspaces.
- **ASUS EyeCare Technologies:** Certified by TUV Rheinland for Flicker Free performance and Low Blue Light (Software Solution), this monitor significantly reduces eye strain during prolonged use, enhancing overall viewing comfort.
- **Energy Efficient:** The monitor boasts ENERGY STAR qualification, reflecting its efficient and eco-conscious operation.

their commitment to combining portability, performance, and user-friendly design.

Order the ASUS ZenScreen MB166CR today from ++SHOP++ as we offer the best selection of portable monitors and exceptional customer service.

Sleek and portable design

ASUS ZenScreen™ is ideal for life on the road. This sleek portable display is light weight and has a slim profile, so it fits easily in any travel bag and is ready for productivity, anytime and anywhere.

One cable is all you need

ZenScreen MB166CR uses a single USB Type-C* connection for both power and video transmission from your host device. This means you have less cables to work with, so you get a neater work area.

Designed with Versatility

A 360° detachable kickstand allow you to screw-in with ease on the rear tripod socket, enabling easy tilt adjustments in either portrait or landscape mode.

With the 360° kickstand design you can even put it on a tabletop mount with ease.

The ASUS ZenScreen MB166CR offers flexibility and visual quality in a sleek, energy-efficient package. This 16-inch LED-backlit LCD monitor, with its Full HD resolution and IPS technology, delivers crisp, vibrant images from virtually any angle. Its raised bezel design and anti-glare screen coating enhance the viewing experience, making it perfect for both professional and leisure activities.

Designed with mobility in mind, the ZenScreen MB166CR features a lightweight chassis and a built-in kickstand, allowing for easy transport and setup. Whether you're presenting to clients or enjoying your favorite media, this monitor adapts to your needs with its 360° rotatable screen and tripod socket. Moreover, it's equipped with ASUS's exclusive technologies, such as EyeCare, to ensure a comfortable viewing experience and enhanced image quality.

Connectivity is a breeze with the USB-C/DisplayPort interface, providing a simple, single-cable solution for video and power. The monitor's energy efficiency is certified by ENERGY STAR, making it a smart choice for eco-conscious users. Whether for work or play, the ASUS ZenScreen MB166CR is a versatile monitor that combines performance, convenience, and sustainability.
