At the core of this iPad is the powerful A16 processor family, ensuring lightning-fast responsiveness whether you are multitasking, gaming, or editing high-resolution video. The device runs on the intuitive iPadOS, offering a robust and smooth user experience optimized for touch interaction and modern applications.

- **Display Excellence:** Features an expansive 11-inch Liquid Retina display with 2360 x 1640 pixels resolution, providing vivid colors and incredible detail for all your viewing needs.
- **A16 Processor:** Delivers professional-grade performance and efficiency, handling intensive applications and demanding workflows with ease.
- **Storage Capacity:** Equipped with 128 GB of internal storage capacity, providing ample space for apps, documents, photos, and media.

## Advanced Cameras and Connectivity

Capture memories and stay connected with powerful front and rear cameras. Both the front and rear cameras boast a 12 MP resolution, ideal for sharp photos, detailed video recording, and crystal-clear video calls.

- **Dual 12 MP Cameras:** High-resolution front and rear cameras perfect for photography, scanning, and video conferencing.
- **Modern Wireless Standards:** Utilizes advanced 802.11ax (Wi-Fi 6) standards for fast and reliable internet connection, complemented by Bluetooth 5.3 for efficient accessory pairing.
- **Sleek Design:** Finished in a classic Silver colour, offering a premium and durable aesthetic while maintaining portability.

**APPLE** is globally recognized for setting the benchmark in technology innovation, design, and user experience across its ecosystem of devices.

Order your new Apple iPad today from ++SHOP++ and take advantage of cutting-edge tablet technology backed by industry-leading performance.
