27-inch monitor boasts Quad HD (2560 x 1440) resolution on a premium IPS panel, ensuring superior image quality, vibrant colors (111.8% sRGB coverage), and ultra-wide 178° viewing angles.

Ultimate Connectivity and Power Delivery

Maximize your productivity with a single cable solution. The integrated USB Type-C connection supports DisplayPort Alternate Mode, high-speed data transfer, and robust Power Delivery (PD) up to 90W. This allows you to charge your laptop or devices while simultaneously utilizing the display and the integrated USB 3.2 Gen 1 hub (4x USB Type-A downstream ports). Furthermore, the built-in Ethernet LAN (RJ-45) port provides a stable, wired network connection directly through the monitor, simplifying cable management.

Ready for Professional Collaboration

Seamless remote collaboration is guaranteed with the built-in 5MP webcam, which supports Windows Hello™ for enhanced security and quick logins. Clear audio and communication are handled by the integrated microphone and powerful dual 5W speakers (10W RMS), eliminating the need for external peripherals. For smooth motion and improved viewing experience, the monitor features a fast 4ms (GTG) response time and a maximum refresh rate of 100 Hz.

Ergonomics and Visual Comfort

- **QHD IPS Panel:** 2560 x 1440 resolution provides significantly more screen real estate and sharper detail compared to standard Full HD displays.
- **Ergonomic Stand:** Features height adjustment (15 cm), pivot (rotation 90°), swivel (360°), and tilt adjustment (-5° to 35°) for optimal viewing comfort.
- **Eye Protection:** Includes Flicker-free technology and Low Blue Light mode to reduce eye strain during long work sessions.
- **Extensive Ports:** Connectivity includes 2x HDMI 1.4, 1x DisplayPort 1.2, and 1x DisplayPort Out for daisy-chaining multiple displays.
- **Sustainable Design:** Constructed using 85% post-consumer recycled plastic and featuring 100% recyclable packaging.

AOC is a global leader in display technology, known for manufacturing high-performance, quality monitors designed for both professional and gaming environments, focusing on innovation,

27" QHD 3-sided flat IPS display for enjoyable and productive workdays

The AOC Q27P3CW is a 27" flat-screen IPS monitor with a three-sided bezel design offering the features and flexibility that today's professionals seek. Enjoy the incredible detail of QHD (2560 x 1440) resolution, which provides superior clarity and contrast for editing photos, videos, or watching movies. This model features peak 350-nit brightness and generous 178/178° wide viewing angles. To ensure smooth remote collaboration, this monitor features two built-in 5W + 5W speakers for high-quality sound and a 5MP integrated webcam supporting Windows Hello™. Monitor Q27P3CW is ready to boost your productivity with USB-C supporting Power Delivery up to 90W, data transfer and DP-alt mode. Connectivity of this monitor is enhanced with USB Hub, RJ-45 & DP-out. To ensure the most efficient power consumption, an array of environmental certifications including EPA, TCO, and EPEAT complete this monitor.
