A variety of interface

The 24BA450 comes equipped with multiple ports, enhancing connectivity options for hardworking individuals. With its multiple ports, you can easily connect numerous devices for efficient desk setup.

All set for virtual meetings

The 24BA450 comes with built-in speakers, eliminating the need for extra speaker installations.

Smooth workflow

A fast 100Hz refresh rate provides a smooth loading in various programs. It helps to allow less screen stuttering and motion blur, elevating work productivity.

Switch swiftly

LG Switch app helps to optimize the monitor for an efficient work environment. You can divide the display into six areas, manage the schedules, or launch a video call platform with a mapped hotkey effortlessly.

Easy and comfy

The 24BA450 supports tilt, swivel, pivot, and height adjustment options to make a comfortable workstation for those who spend extended hours in front of monitors. Also, our ergonomic stand facilitates communication with customers or colleagues by allowing for a downward height adjustment.

The LG 24BA450-B LED-backlit LCD monitor is tailored for professionals and enthusiasts, offering vibrant colors and sharp details with its 24-inch Full HD IPS display. The display's 99% sRGB color gamut ensures color accuracy for creative work. An ergonomic stand provides comprehensive adjustments, including height, pivot, swivel, and tilt, for customized viewing comfort during prolonged use. The monitor features advanced connectivity with HDMI, VGA, and DisplayPort inputs for easy integration into any workspace. Eye comfort technologies, such as Flicker Safe and Reader Mode, minimize eye strain. Additionally, the monitor's ENERGY STAR certification and Smart Energy Saving technology contribute to reduced power consumption and energy costs, making it an efficient choice for both work and play.
