

Graphics Card Gainward GeForce RTX 5070 Ti Phoenix- S, 16384 MB GDDR7

Modelis: NE7507T019T2-GB2031K

Gamintojas: GAINWARD

EAN: 4710562245547

Prekės kodas: 419785

1,196.99€

Graphics Card Gainward GeForce RTX 5070 Ti Phoenix-S, 16384 MB GDDR7

Step into the next era of high-fidelity gaming and professional creation with the Gainward GeForce RTX 5070 Ti Phoenix-S graphics card. Built upon the cutting-edge architecture, this GPU is engineered to deliver breathtaking performance, pushing the boundaries of frame rates and visual realism.

Equipped with a massive 16384 MB (16 GB) of ultra-fast GDDR7 memory, the RTX 5070 Ti provides unprecedented bandwidth, crucial for handling intensive textures, complex ray tracing calculations, and high-resolution gaming (4K and beyond). The advanced GDDR7 technology ensures minimal latency and maximum data throughput, providing a competitive edge in fast-paced titles.

Unmatched Performance and Cooling

The specialized Gainward Phoenix-S cooling system ensures that this powerhouse operates efficiently even under heavy load. Designed for optimal heat dissipation and quiet performance, the robust cooler allows the RTX 5070 Ti to maintain peak clock speeds for longer sessions. Whether you are rendering complex 3D scenes or dominating the latest AAA titles, the Gainward Phoenix-S keeps temperatures low and stability high.

Key Features for Gamers and Creators:

- **Next-Generation GDDR7 Memory:** Features 16 GB of high-speed GDDR7 VRAM for extreme data rates and low latency.
- **GeForce RTX 5070 Ti Power:** Experience incredible performance uplift across demanding modern games.
- **Advanced Ray Tracing:** Enjoy hyper-realistic lighting, shadows, and reflections powered by dedicated RT cores.
- **DLSS Technology:** Utilize AI rendering to boost frame rates while maintaining crisp image quality.
- **Gainward Phoenix-S Cooling:** Robust, custom cooling solution designed for silent and efficient thermal management.

GAINWARD is a world-renowned manufacturer of graphics accelerators, recognized for providing high-quality, high-performance video cards tailored for enthusiasts and demanding users. Their Phoenix series is highly regarded for its robust construction and exceptional thermal engineering.

Order today from ++SHOP++ and upgrade your system with the power required for the most demanding titles of tomorrow.
