Meet the Galaxy Book5 Pro 360 - our most capable Galaxy AI PC yet. Flex your productivity on the go with the power of the latest Intel® Core™ Ultra processor Series 2, delivering boosted performance for AI-accelerated experiences. Conquer tasks and create like never before while staying charged with an all-day battery.

2-in-1 design. Flex to work, flip to create

Galaxy Book5 Pro 360 puts a spin on daily productivity with its 2-in-1 convertible design. Weighing in at 1.69kg with a sleek Grey finish, it's your versatile companion for hustles on the move.

Supercharged performance. Unlock your AI experience

Transform the way you work and create with AI-powered experiences on Galaxy Book5 Pro 360. The NPU capable of up to 47 TOPS combines with the blazing-fast Intel® Core™ Ultra processor Series 2 to deliver robust AI performance — a total game changer for your PC productivity.

Stay powered with all-day battery

Get the power to keep going all day — with a long-lasting 76Wh (typical) battery for up to 25 hours of video runtime. Take a break as you top up your laptop with 35% charge in just about 30 minutes using a light and compact charger that even works with your other Samsung Galaxy devices.

Dynamic AMOLED 2X. Your creations displayed brilliantly

Bring your artistic vision to life on the breathtaking 16-inch display. Marvel at the crisp details in high resolution with bright and vivid colours, smooth scrolling and onscreen motion, and reduced blue light emission for eye comfort.

Anti-reflective cover glass. Dazzling views at any angle

Experience a clear view of your favorite content with less distractions thanks to Corning® Gorilla® Glass with DX. Corning's glass technology decreases the amount of unwanted reflections and glare, helping onscreen visuals to remain crisp and legible from different angles and particularly in brightly lit environments.

Touchscreen with S Pen. Tap to get creative

Create works of art intuitively using your fingertips or the included S Pen on the touchscreen of Galaxy Book5 Pro 360. Write, draw and navigate with responsive multi-touch gestures and fine-tune details across your projects with the accurate S Pen.

Big woofers. Deeper sound

More than 2x larger than before, the 38mm Big woofers on Galaxy Book5 Pro 360 amplify low frequency sounds to deliver deep, rich bass for an immersive soundscape. Surround yourself in your favorite beats and stay in the groove with the upgraded quad-speaker system.

Wi-Fi 7. Full speed ahead

Surf, stream and share content on the fly with the lightning-fast speed of Wi-Fi 7. Go from uploading creative works online to enjoying your favorite shows in an instant with ultra-low latency and better reliability.

Precise touchpad. Plenty of ports

Navigate easily using the touchpad with adaptive palm rejection — control your taps with precision thanks to palm monitoring on the subdivided palm area, reducing the chance of accidental touches. Plus, connect what you need dongle-free with versatile built-in ports, including HDMI, USB-A, microSD slot and two Thunderbolt 4 ports for rapid data transfers.

Samsung Knox. Pro security. Anti worry

Safeguard your system with premium security from Samsung Knox. A dedicated security chip in the hardware is designed to shield your device in real time. Protected all around, your laptop's critical system data can stay safe from potential threats and breaches.

AI experiences are coming

Link your phone. Unleash Galaxy AI on PC

Connect your smartphone to your PC via Phone Link to access recently viewed webpages or launch up to 5 mobile apps right from your laptop. Use smart features like Circle to Search with Google, Note Assist and Chat Assist from your Galaxy smartphone and get an expanded view on the big screen of Galaxy Book5 Pro 360.

The connected power of Galaxy

Use your phone as a connected camera

Upgrade your video calls from standard laptop webcam to stunning clarity using your Samsung

Galaxy smartphone as a connected camera. Connect seamlessly to your Galaxy Book5 Pro 360,
