Optimized Visual Performance

Designed for prolonged professional use, the 524pf utilizes high-quality display technology to deliver exceptional visual fidelity across various tasks.

- **IPS Panel Technology:** Enjoy consistent, true-to-life color reproduction and clarity across extremely wide 178-degree horizontal and vertical viewing angles.
- **Vibrant Display:** Boasts a peak brightness of 350 cd/m² and a strong 1500:1 static contrast ratio, ensuring clear, vivid imagery even in brightly lit office environments.
- **Smooth Motion:** A 100 Hz refresh rate combined with a fast 5 ms response time (GtG with overdrive) provides smoother visuals compared to standard 60 Hz displays.
- **Color Accuracy:** Professional-grade color support with 100% sRGB coverage ensures precision for tasks requiring accurate color representation.

Ergonomics, Connectivity, and Sustainable Design

The 524pf features a sophisticated 3-side borderless design that is perfect for multi-monitor setups. Its fully adjustable stand allows you to customize your setup perfectly for maximum productivity and posture health.

- **Full Ergonomic Adjustability:** Customize your viewing position with height, pivot (rotation), swivel, and tilt functions.
- **Advanced Eye Comfort:** Eyesafe Certified 2.0 status, combined with Flicker-Free technology and Low Blue Light mode, minimizes eye strain during extended work periods.
- **Integrated USB Hub:** Connectivity is streamlined with both HDMI and DisplayPort inputs, complemented by a built-in USB 3.2 Gen 1 hub for efficient accessory connection and cable management.
- **Eco-Conscious Choice:** This monitor is ENERGY STAR Certified and EPEAT Gold registered, meeting high standards for environmental sustainability, including TCO Certified Edge Displays compliance.

premium HP monitors.

Reimagine what work looks like

Get more out of your workday with the HP Series 5 Pro 23.8" FHD Monitor. Create the setup that works for the way you work, wherever you work, with refined visual clarity and adjustable comfort built into a sleek, modern design.

The HP 524pf delivers an immersive viewing experience with its 24-inch screen, offering a vibrant Full HD resolution of 1920 x 1080, perfect for both productivity and entertainment. With features like Flicker-Free technology and Low Blue Light technology, this monitor ensures comfortable prolonged use without straining the eyes. The design includes a 3 Side Borderless Design, giving it a modern look, while height adjustment and rotation capabilities enhance user adaptability in any workspace. The display boasts a brightness of 350 cd/m² and a contrast ratio of 1500:1, providing clear and vivid imagery even in bright conditions. Complementing these features is the IPS TFT technology, which offers a wide viewing angle of 178 degrees both horizontally and vertically, ensuring the picture remains sharp and true-to-color from multiple perspectives. This ENERGY STAR certified monitor is environmentally conscious, with a long backlight life of 30,000 hours, making it a sustainable choice for your office or home.
