Motorola Edge 50 Fusion: Redefining Elegance

Experience premium tactile sensation with the Motorola Edge 50 Fusion. This smartphone features curved edges, smooth contours, and a seamless camera housing, all within an ultra-thin design.

Choose the sophisticated matte finish in Forest Blue.

Features:

- **Element of Protection:** IP68 underwater and dust protection, coupled with Corning Gorilla Glass 5 for display safety.
- **Limitless Creativity:** Easy-to-use camera features to enhance your inspiration.
- **Designed for the Dark:** A powerful LYTIA sensor in the 50MP main camera ensures ultrafast captures with low noise in dark environments, offering 32x more focusing pixels.

- **Widen Your Perspective:** Capture more with the 120° ultra-wide angle lens.
- **Get Closer:** The Macro Vision lens brings you 4x closer to your subject, revealing the tiniest details.
- **Selfie Ready, Always:** Capture stunning selfies instantly with the Quad Pixel technology of the 32MP front camera.
- **Cinema on the Go:** Enjoy your favorite entertainment in over a billion shades of true-to-life color on the 6.7" pOLED display.
- **Really Smooth:** Seamlessly switch between apps, play games, and scroll websites with the incredibly fluid 144Hz refresh rate.
- **New Audio Dimension Unlocked:** Listen to sounds with greater depth, clarity, and detail through the multidimensional sound of Dolby Atmos.
- **Infinite Contrast, Vivid Color:** Experience 100% of the DCI-P3 color gamut, with brighter, more vibrant colors that meet cinematic standards for accuracy.
- **Engineered to Excite:** Energize your mobile experience with the fast and reliable Snapdragon 7 Gen 2 processor, coupled with unbelievable battery efficiency and 256GB of storage for your photos, videos, and games.
- **Privacy Protection and Safe Access:** Unlock your phone with your fingerprint using the optical sensor, manage network security, control app permissions, and create a secret folder for your most sensitive data with Moto Secure.

Motorola is known for innovative mobile technology and design, providing users with reliable and stylish smartphones.

Indulge your adventurous side - motorola edge 50 fusion comes with IP68 underwater and dust protection. Plus, Corning Gorilla Glass 5 keeps your display safe from everyday bumps and bruises.

Limitless creativity

Give your inspiration an edge with exciting, easy-to-use camera features.

Designed for the dark

Elevate all your captures and master night photography with the powerful LYTIA sensor of the 50MP main camera that ensures ultrafast captures with low noise in dark environments. Enjoy stunning results with 32x more focusing pixels.

Widen your perspective

Capture what your eyes see and fit more in your frame than a standard lens with the 120° ultra-wide angle.

Get closer

See the tiniest details as the Macro Vision lens brings you 4x closer to your subject.

Selfie ready, always

Capture stunning selfies in an instant with the Quad Pixel technology of the 32MP front camera.

Flaunt your style

Explore your creativity with a variety of innovative camera features.

Cinema on the go

Your favourite entertainment comes to life in over a billion shades of true-to-life colour on an endless edge 6.7" pOLED display.

Really smooth

Seamlessly switch between apps, play games, scroll websites. The incredibly fluid 144Hz refresh rate makes everything easy on the eyes.

New audio dimension unlocked

Listen to the sounds in shows, films, and music with greater depth, clarity, and details with the multidimensional sound of Dolby Atmos.

Infinite contrast. Vivid colour.

Experience the 100% of the DCI-P3 colour gamut, with brighter, more vibrant colours that meet cinematic standards for accuracy, on a vivid pOLED display.

Engineered to excite

Energize your mobile experience with the fast and reliable performance of Snapdragon 7 Gen 2 processor with unbelievable battery efficiency. Store up to 512GB of photos, videos, games, and more.

Privacy protection and safe access

Unlock your phone with your fingerprint – simply touch the display glass above the optical sensor. Additionally, manage network security, control app permissions, and even create a secret folder for your most sensitive data with Moto Secure.
