The Motorola Edge 50 Fusion is engineered for those who demand high performance without compromising style. Featuring an ultra-thin design, seamless camera housing, and a sophisticated matte finish in Forest Blue, this smartphone offers a premium tactile experience.

Immersive 144Hz pOLED Display and Durability

Enjoy cinema on the go with the expansive 6.7-inch pOLED endless edge display. With Full HD+ resolution (2400 x 1080, 395 ppi) and 100% DCI-P3 color gamut, your favorite entertainment comes to life in over a billion shades of true-to-life color. The incredibly fluid 144 Hz refresh rate and 360 Hz touch sampling rate ensure seamless switching between apps and smooth gaming, while Corning Gorilla Glass 5 provides excellent durability against scratches and daily bumps.

Powerful Performance and Storage

Energize your mobile experience with the fast and reliable Qualcomm Snapdragon 7s Gen 2 processor, engineered for efficiency. Coupled with a massive 12 GB of RAM (LPDDR4X) and 256 GB of internal storage, the Edge 50 Fusion ensures lightning-fast multitasking and ample space for all your photos, videos, and games. This 5G-ready device runs on Android 14 with My UX for a personalized user experience and supports Dual-SIM functionality (Nano SIM and e-SIM).

Professional-Grade Photography System

Unleash limitless creativity with the advanced camera system designed for exceptional captures, even in low light. The powerful 50 MP main camera utilizes a cutting-edge LYTIA sensor, providing ultrafast captures with low noise and 32x more focusing pixels, mastering night photography. Complementing this is a versatile 13 MP ultra-wide angle lens (120° field of view, f/2.2) which doubles as a Macro Vision lens, allowing you to get 4x closer to capture the tiniest details. Capture stunning, instant selfies with the 32 MP front camera (f/2.45) featuring Quad Pixel technology.

Key Features and Endurance

- **IP68 Protection:** The Edge 50 Fusion is built to handle adventures, offering superior IP68 underwater and dust resistance.
- **5000 mAh Battery:** A robust 5000 mAh battery ensures connectivity throughout the day, supported by TurboPower fast charging technology.

- **Advanced Security:** Unlock your device securely and conveniently using the under-display fingerprint reader or face recognition, managed via the Moto Secure features.
- **Immersive Audio:** Experience a new audio dimension with multidimensional Dolby Atmos sound, providing greater depth, clarity, and detail for all media.
- **Dimensions and Weight:** Measuring 73.1 mm x 7.9 mm x 161.9 mm and weighing just 174.9 g.

LENOVO, the parent company of Motorola, is globally recognized for developing innovative and reliable technology solutions, ranging from personal computers to cutting-edge mobile devices like the Edge series.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic products.

Redefining elegance

Curved edges, smooth contours, seamless camera housing, and the ultra-thin design of Motorola Edge 50 Fusion gives you a premium tactile experience. Choose between Hot Pink in a vegan suede or Marshmallow Blue in a vegan leather finish, or go with a sophisticated and smooth matte finish in Forest Blue.

The element of protection

Indulge your adventurous side - Motorola Edge 50 Fusion comes with IP68 underwater and dust protection. Plus, Corning Gorilla Glass 5 keeps your display safe from everyday bumps and bruises.

Limitless creativity

Give your inspiration an edge with exciting, easy-to-use camera features.

Designed for the dark

Elevate all your captures and master night photography with the powerful LYTIA sensor of the 50MP main camera that ensures ultrafast captures with low noise in dark environments. Enjoy stunning

results with 32x more focusing pixels.

Widen your perspective

Capture what your eyes see and fit more in your frame than a standard lens with the 120° ultra-wide angle.

Get closer

See the tiniest details as the Macro Vision lens brings you 4x closer to your subject.

Selfie ready, always

Capture stunning selfies in an instant with the Quad Pixel technology of the 32MP front camera.

Flaunt your style

Explore your creativity with a variety of innovative camera features.

Cinema on the go

Your favourite entertainment comes to life in over a billion shades of true-to-life colour on an endless edge 6.7" pOLED display.

Really smooth

Seamlessly switch between apps, play games, scroll websites. The incredibly fluid 144Hz refresh rate makes everything easy on the eyes.

New audio dimension unlocked

Listen to the sounds in shows, films, and music with greater depth, clarity, and details with the multidimensional sound of Dolby Atmos.

Infinite contrast. Vivid colour.

Experience the 100% of the DCI-P3 colour gamut, with brighter, more vibrant colours that meet cinematic standards for accuracy, on a vivid pOLED display.

Engineered to excite

Energize your mobile experience with the fast and reliable performance of Snapdragon 7 Gen 2 processor with unbelievable battery efficiency. Store up to 512GB of photos, videos, games, and more.

Privacy protection and safe access

Unlock your phone with your fingerprint – simply touch the display glass above the optical sensor. Additionally, manage network security, control app permissions, and even create a secret folder for your most sensitive data with Moto Secure.

The Motorola Edge 50 Fusion combines technology with a distinctive design to deliver a smartphone experience. Featuring a robust 5000 mAh battery, this device supports TurboPower technology for fast charging, ensuring connectivity throughout the day. The 6.7-inch pOLED display offers vibrant colors and clarity with a Full HD+ resolution of 2400 x 1080 pixels, enhanced by a 144 Hz refresh rate and a 360 Hz touch sampling rate. It also features Corning Gorilla Glass 5 for durability and scratch resistance in everyday use.
