With the universal dual monitor mount from DIGITUS, you can conveniently attach two monitors with dimensions between 15" - 32" to your desk using a clamp mount. The quick-release function also makes it easier for you to install the monitors. The VESA bracket is simply inserted into the corresponding mount and automatically snaps in. Without a great deal of effort, you can arrange the monitors according to your needs and pivot, incline or rotate the monitors, for instance for monitors in portrait mode. Support of the integrated gas spring facilitates height adjustment of your monitors. Do a good deed for yourself and your health by adjusting your monitor optimally for your body and your sitting position.
