(QHD) resolution of 2560 x 1440 pixels, delivering incredible sharpness and detail. Coupled with a smooth 120 Hz refresh rate and 4 ms response time, the Q27E4U ensures seamless and fluid motion, minimizing lag for improved productivity.

Optimal Visual Quality and Performance

Equipped with an advanced IPS panel, the Q27E4U provides vibrant colors and exceptionally wide viewing angles (178° horizontal and vertical), ensuring consistent image quality from almost any perspective. The 16:9 native aspect ratio is standard for modern computing tasks, and Adaptive Sync technology helps eliminate screen tearing for a better viewing experience.

Ergonomics and Eye Care for Long Work Sessions

- **Ergonomic Stand:** Features VESA compatibility and full height adjustability, allowing you to easily customize the screen position to achieve maximum comfort and reduce strain during long work hours.
- **Hardware Anti-Blue Light:** Protect your eyes with integrated hardware-based anti-blue light technology, significantly reducing potentially harmful blue light emission without distorting colors, ensuring comfortable viewing late into the evening.
- **Built-in Audio:** Integrated speakers provide convenient audio output without the need for external peripherals.

Seamless Connectivity

The Q27E4U serves as a highly efficient workstation hub. It includes a built-in USB hub (USB 2.0 / 3.2 Gen 1) for easy connection of peripherals directly to your monitor. Versatile connectivity options ensure compatibility with various devices:

- HDMI 2.0 x 1 port
- DisplayPort 1.4 x 1 port
- Integrated USB Hub

AOC (Admiral Overseas Corporation) is a globally recognized brand specializing in high-quality display technology, known for providing reliable and feature-rich monitors for both professional and gaming markets. The Q27E4U underlines this commitment, offering an impressive 5-year warranty for peace of mind and guaranteed long-term use.
