- **Extreme 320 Hz Speed:** Experience unparalleled responsiveness with a 320 Hz maximum refresh rate, ensuring every frame is displayed instantly, and motion blur is virtually eliminated, crucial for competitive play.
- **Lightning-Fast Response Time:** Equipped with 1ms GtG (Gray-to-Gray) and an incredibly low 0.3ms MPRT (Moving Picture Response Time), this monitor delivers crystal-clear movement during high-velocity action sequences.
- **Quad HD Clarity:** The 2560 x 1440 QHD resolution provides significantly more detail than standard Full HD, offering crisp, immersive visuals on the 27-inch screen.
- **Vibrant HDR400 Support:** Enjoy richer, deeper contrast and vibrant colors thanks to VESA DisplayHDR 400 certification, bringing compatible games and media to life.
- **Adaptive Sync Technology:** Say goodbye to screen tearing and stuttering. Adaptive Sync synchronizes the monitor's refresh rate with your GPU's frame rate for perfectly fluid gameplay.
- **Advanced Connectivity:** Featuring two HDMI 2.1 ports and one DisplayPort 1.4, allowing stable, high-bandwidth connection to multiple high-performance devices, including next-gen consoles and powerful gaming PCs.

Optimized for Comfort and Convenience

Designed with the competitive player in mind, the Q27G4SRU includes an ergonomic stand offering extensive height adjustment and tilt capabilities for optimal viewing comfort during extended gaming sessions. Integrated features like the built-in USB hub and internal speakers enhance functionality and cable management.

AOC is a globally recognized leader in display technology, renowned for producing high-performance gaming monitors that combine cutting-edge features with ergonomic design, meeting the demands of professional gamers and enthusiasts worldwide.

Order today from ++SHOP++ as we offer the best competitive prices and expert customer service.
