Aprašymas

The Gembird WM-75ST-02 is a versatile mounting kit designed to enhance your viewing experience with full-motion adjustable dual arms. This kit is suitable for flat panel displays ranging from 32 to 75 inches, providing a sturdy steel construction that supports a maximum load weight of 45.5 kg. The integrated cable management system helps to keep your setup tidy, while the various adjustments allow for personalized positioning. Choices include tilt adjustments ranging from -5° to 8°, swivel angles between -50° and 50°, and the ability to level by -4° to 4°, ensuring optimal placement for any room configuration. The corner mountable feature enhances flexibility, making it a practical addition to any home or office setup. Enjoy a clutter-free and adaptable display solution that meets diverse lighting conditions and viewing preferences.
