Reliable protection for daily life

Now, thanks to IP54 protection, you can go about your day with peace of mind. This added durability means it can handle the little surprises of your day, so you can stay focused on what's important.

Built to last with 6x OS upgrades

Offered with up to 6 generations of OS upgrades and 6 years of security maintenance, your Galaxy A16 stays up-to-date for longer.

Power up fast, stay powered long

Enjoy what you love without worrying about battery life—the 5,000mAh battery keeps Galaxy A16 running strong on a single charge. And with Super Fast Charging, it's back in action quickly.

Built to keep your passwords safe

Samsung Knox Vault is like a safe within a safe, physically isolating PINS, passwords and other private info so hackers can't gain access.

Crisp colours and details come alive on a 6.7" display

Smart Switch

Easily transfer data to your new Samsung Galaxy from different devices.

Quick Share

Sharing files is a breeze with Quick Share. It's fast, easy, and secure.

One UI

One UI 6.1 lets you run things effortlessly just how you like it. It's all about personalising your everyday experiences.
