- **Personalized Briefings:** Stay informed with personalized updates throughout the day. The all-new Now Brief delivers essential information, including energy scores and schedule reminders.
- **Audio Eraser:** Eliminate unwanted background noise from your videos, ensuring share-worthy content with the Audio Eraser feature. Fine-tune audio by adjusting various sound types like voices, music, and wind.
- **Personalized Health Tracking:** Achieve your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring for personalized insights and coaching, including sleep analysis, activity tracking, and heart rate monitoring.
- **Enhanced Privacy:** The Personal Data Engine combines and processes your primary data, providing tailored suggestions while ensuring your data remains private. Encrypted and secured on your device with Knox Vault, your information is inaccessible to others. Monitor the security of other Galaxy devices directly from your smartphone.
- **Unrivaled Nightography:** Capture stunning videos in improved 10-bit HDR. The advanced AP delivers precise noise reduction, ensuring clear and vibrant night footage.
- **Epic Portraits:** The enhanced Object-aware Engine adapts to various lighting environments, capturing skin tones and textures exactly as you see them.
- **Custom Filters:** Bring your photos to life with personalized filters. Galaxy AI analyzes your favorite photos to create filters that capture the scene, with adjustable saturation, brightness, and more.
- **Effortless Highlight Reels:** Create highlight reels effortlessly by collating videos and using Auto Trim. AI detects key activities and trims them into ready-to-share clips.
- **Powerful Processor:** Equipped with the Snapdragon® 8 Elite Mobile Platform for Galaxy, enjoy ultra-smooth gameplay with improved real-time ray tracing and Vulkan optimization.
- **Unparalleled Battery Life:** Thanks to mDNIe technology and software optimization, the Galaxy S25 offers enhanced battery usage, allowing you to enjoy hours of video watching.
- **Intuitive One UI 7:** Access Now Brief alerts, music, and more from the Now Bar. The new home screen offers highly customizable layouts and widgets. Live notifications keep you informed of ongoing activities, such as voice recordings, in the Now Bar, status bar, or notification panel.

The Samsung brand is synonymous with innovation, quality, and cutting-edge technology. With a commitment to pushing the boundaries of what's possible, Samsung continues to create products

that empower users and enhance their lives.

Order today from ++SHOP++ as we offer the best prices and the best customer support.

Simple. Impactful

Meet Galaxy S25 and S25+. A sleek, premium design wrapped in a strong aluminium frame with an immersive screen, sophisticated camera and now slimmed down for a more comfortable grip.

Looks sleek, built tough

Wrapped in a light aluminium frame, strengthened with Corning® Gorilla® Glass Victus® 2 display glass and rated with IP68 for moisture and dust resistance, Galaxy S25 and S25+ are designed to be taken virtually anywhere.

Personalised briefings for your day

Get personalised briefings throughout the day from the all-new Now Brief. Start your morning with a run-down of the day ahead, such as checking your latest Energy Score and reminders of a busy schedule. Then, recap on the day's events in the evening with daily activity insights.

A sound studio at your fingertips

Easily get rid of unwanted background noise from your videos and make them share-worthy with Audio Eraser. Fine-tune your audio by adjusting different types of sound including voices, music, wind and more.

The future of health, now made personal

Keep up with your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring and receive personalised insights and coaching such as an analysis of your sleep, activity and heart rate.

Personal data stays personal

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else. You can even monitor the security of other Galaxy devices right from your Galaxy smartphone.

Unrivaled Nightography video. Less noise, more clarity

Now you can shoot in improved 10-bit HDR for a more stunning videography experience. Our advanced AP also delivers more precise noise removal meaning you won't have to worry about grainy night footage again.

Epic portraits, every single time

We see you. And so does our camera with enhanced Object-aware Engine that can adapt to various lighting environments. Capture skin tones and textures exactly as your eyes see them.

Filters just for you

Bring your pics to life with your own personalised filters. Galaxy AI will analyse your favourite photo and create a filter that captures the scene. Use it instantly or customise further to suit your mood with tweaks to the saturation, brightness and more.

Highlight reels made easy

Effortlessly create reels by collating your videos and simply hitting Auto Trim. AI will detect the key activity and trim them into highlight-ready clips that you can easily modify to your desired length.

The most powerful processor customised for Galaxy

Introducing our most powerful processor, customised for Galaxy. With improved real-time ray tracing and Vulkan optimisation, dive deep into the action with ultra-smooth gameplay thanks to Snapdragon® 8 Elite Mobile Platform for Galaxy.

Unparalleled battery life

Thanks to our pioneering mDNLe technology built into our custom-made AP and software optimisation, Galaxy S25's battery usage time is enhanced for you to enjoy hours of watching videos.

All new One UI 7, built for AI

Get access to your Now Brief alerts, music and more from the Now Bar. The new home screen is all yours with highly-customisable layouts and new widgets. Live notifications let you monitor on-going activities such as voice recordings on the Now Bar, status bar or at the top of your notification panel.
