anywhere. Its slimmed-down design ensures a comfortable grip, while the IP68 rating offers protection against everyday spills.

Revolutionizing Mobile Intelligence with Galaxy AI

Step into the next era of mobile technology with the integrated Galaxy AI. This intelligent companion simplifies complex tasks, allowing you to use natural conversation to guide everyday workflows without having to switch between various apps.

- **Circle to Search with Google:** Instantly search for anything visible on your screen—images, text, or videos—by simply circling the object with your finger, providing immediate AI Overview results. You can even search for a song you hear without switching apps.
- **Gemini Live:** Engage in free-flowing conversations with Gemini Live to brainstorm ideas or prepare presentations, receiving real-time responses adapted to your conversation style.
- **Now Brief:** Get personalized briefings throughout the day, including reminders of your schedule ahead and daily insights in the evening.
- **Audio Eraser:** Easily remove unwanted background noise from videos, fine-tuning audio elements like voices, music, or wind.
- **Highlight Reels:** Effortlessly create highlight reels by collating videos and using Auto Trim, which detects key activity and clips the footage instantly.

Unrivaled Performance and ProVisual Photography

The Galaxy S25 is powered by the most advanced processor customized for Galaxy—the Snapdragon® 8 Elite Mobile Platform. This ensures ultra-smooth gameplay, improved real-time ray tracing, and maximum efficiency. Capture stunning moments with the 50 MP ProVisual Engine, which offers advanced creative tools for capturing, viewing, and editing. Enjoy improved 10-bit HDR video and precise noise removal thanks to the advanced AP, meaning you won't have to worry about grainy night footage again.

Go live, get answers

Have free-flowing conversation with Gemini Live to brainstorm ideas or prepare for presentations by attaching images and getting real-time responses that adapt to your conversation style.

Personalised briefings for your day

Get personalised briefings throughout the day from the all-new Now Brief.

Start your morning with a run-down of the day ahead and get reminders of your busy schedule.

Then, recap on the day's events in the evening with daily insights.

Circle it, find it. Hear it, find it

Circle to Search with Google allows you to instantly search anything on your screen. Just circle an object—including images, videos or text—with your finger, and you'll get AI Overview results immediately. You can even search for a song that you hear in the moment without switching apps.

A sound studio at your fingertips

Easily get rid of unwanted background noise from your videos and make them share-worthy with Audio Eraser. Fine-tune your audio by adjusting different types of sound including voices, music, wind and more.

Highlight reels made easy

Effortlessly create reels by collating your videos and simply hitting Auto Trim. AI will detect the key activity and trim them into highlight-ready clips that you can easily modify to your desired length.

Your own personal health coach

Keep up with your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring and receive personalised insights and coaching such as an analysis of your sleep, activity and heart rate.

Personal data stays personal

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

Have control over your Galaxy AI. You can decide where to process it, either on-device or in the cloud.
