The Logitech G G840 mouse pad is a premium accessory designed to enhance your gaming experience. Its rubber base ensures the pad stays in place, providing a stable surface for precision mouse control. The large size of the G840 accommodates all types of playstyles, from high DPI shooters to low DPI strategy games, offering ample space for movement and the perfect glide. This mouse pad is built with the quality and design sensibilities gamers trust. Whether you're a competitive gamer or a casual enthusiast, the G840 is designed to elevate your game.
