## **Highlight reels made easy**

Effortlessly create reels by collating your videos and simply hitting Auto Trim. AI will detect the key activity and trim them into highlight-ready clips that you can easily modify to your desired length.

## **Your own personal health coach**

Keep up with your health goals by tracking your Energy Score. Sync with Galaxy Watch or Ring and receive personalised insights and coaching such as an analysis of your sleep, activity and heart rate.

## **Personal data stays personal**

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

Have control over your Galaxy AI. You can decide where to process it, either on-device or in the cloud.

We've further improved security across Galaxy connected devices with Knox Matrix Trust Chain technology. Now you can monitor the security of other devices right from your Galaxy smartphone.

## **Our most advanced ProVisual Engine**

Our ProVisual Engine is now boosted by our powerful processor. Experience our advanced creative system for capturing, viewing and editing that you have to see to believe.

## **Less noise, more clarity**

Now you can shoot in improved 10-bit HDR for a more stunning videography experience. Our advanced AP also delivers more precise noise removal meaning you won't have to worry about grainy night footage again.

## **Look your best in every light**

We see you. And so does our camera with enhanced Object-aware Engine that can adapt to various lighting environments. Capture skin tones and textures as your eyes see them.
