colors even in challenging lighting conditions. Whether you are using the AI Zoom for distant subjects or editing with pro-grade tools, your creative vision comes to life with unmatched clarity.

## Next-Generation Performance

At the heart of this smartphone is the Snapdragon 8 Elite Mobile Platform for Galaxy, the most powerful processor ever in a Galaxy device. With 12 GB of RAM and 512 GB of internal storage, it delivers lightning-fast processing and seamless AI performance. The device runs on Android 15 with the all-new One UI 7, featuring highly customizable layouts and the intuitive Now Bar for real-time notifications.

## Smart Features and Security

- **Audio Eraser:** Use Galaxy AI to filter out unwanted background noise from your videos for professional-quality sound.
- **Now Brief:** Start your day with personalized briefings, including your Energy Score and daily schedule reminders.
- **Knox Vault:** Your personal data is encrypted and saved on-device, ensuring it remains inaccessible to unauthorized users.
- **6.7" Display:** A stunning high-resolution screen (3120 x 1440) for an immersive viewing experience.
- **Optimized Battery:** The 3900 mAh battery is specifically engineered for the slim profile, utilizing mDNIe technology to maximize video playback time.

**Samsung** is a global leader in technology, constantly pushing the boundaries of what is possible in the world of mobile electronics, display technology, and artificial intelligence.

Powered by AI, the next-gen ProVisual Engine gets an extra boost from Galaxy S25 Edge's high-speed processor. Bring your creative vision to life from capture to edits, with Galaxy S25 Edge's advanced camera system and pro-grade tools.

The sharpest details with 200 megapixels

Galaxy S25 Edge's advanced camera system fits our finest 200 MP into the rear camera, with the AI-enhanced ProVisual Engine improving colour and details for next-level clarity, day or night. You can also zoom in and capture enhanced details with the AI Zoom solution.

A sound studio at your fingertips

Filter out unwanted background noise from your videos and make them share-worthy with Audio Eraser. Galaxy AI fine-tunes your audio by adjusting different types of sound including voices, music, wind and more.

The most powerful processor, customised for Galaxy

Introducing the most powerful processor, the Snapdragon® 8 Elite Mobile Platform for Galaxy. It's the driving force behind fast processing and AI performance.

All-day battery fit for slim

With our pioneering mDNle technology built into our custom-made AP and software optimisation, Galaxy S25 Edge's battery usage time lets you enjoy hours of watching videos.

Personalised briefings for your day

Get personalised briefings throughout the day from the all-new Now Brief. Start your morning with a run-down of the day ahead, such as checking your latest Energy Score and reminders of a busy schedule. Then, recap on the day's events in the evening with daily activity insights.

Personal data stays personal

The Personal Data Engine combines and processes your primary data and provides tailored suggestions. It encrypts this data and saves it on your device with Knox Vault, making it inaccessible to anyone else.

All new One UI 7, built for AI

Get access to your Now Brief alerts, music and more from the Now Bar. The new home screen is all
