Designed for demanding environments, the Samsung Galaxy Tab Active4 Pro SM-T636B is the ultimate mobile tablet built for professionals working in the field. Combining robust durability with high-speed performance, this device ensures seamless operations whether you are on a construction site, in logistics, or performing utility checks.

The Galaxy Tab Active4 Pro boasts an impressive IP68 rating, guaranteeing resistance to dust and water, alongside a fortified 10.1-inch WUXGA (1920 x 1200) display protected by durable Gorilla Glass. This tablet is engineered to withstand the rigors of your workday while maintaining a manageable weight of 674 g.

Uncompromised Performance and Connectivity

Powered by the robust Qualcomm Snapdragon 778G processor (Octa-core, up to 2.4 GHz boost frequency) and supported by 4 GB of internal memory, the Active4 Pro handles intensive Android applications and multitasking with ease. With 64 GB of internal storage expandable up to 1 TB via microSD, you have ample space for all your documents and high-resolution video recordings.

- **Lightning-Fast 5G Connectivity:** Stay connected and productive anywhere with integrated 5G capabilities (LTE-TDD & LTE-FDD) for ultra-low latency and high-speed data transfer.
- **Advanced Wi-Fi 6:** Enjoy faster and more reliable connections in office or warehouse environments thanks to cutting-edge Wi-Fi 6 (802.11ax) support.
- **Enhanced Security:** Features a convenient fingerprint reader to keep sensitive information secure.
- **NFC and GPS:** Integrated Near Field Communication (NFC) simplifies data transfer, while multi-system GPS (GLONASS, BeiDou, Galileo, QZSS) provides accurate position location.

Superior Display and Battery Life

The 10.1-inch TFT display delivers vibrant images with 16 million colours and a 16:10 native aspect ratio, perfect for viewing blueprints or detailed reports. Capture clear images and 4K videos with the 13 MP autofocus rear camera (featuring flash) and utilize the 8 MP front camera for crisp video calls.

Long working days are supported by the substantial 7600 mAh battery, offering up to 16 hours of continuous video playback or web browsing time (both Wi-Fi and 4G). This ensures you remain operational throughout demanding shifts.

SAMSUNG is a global leader in technology, renowned for pushing the boundaries of innovation across consumer electronics, mobile devices, and digital solutions, providing reliable and high-performance products worldwide.

Order today from ++SHOP++ as we offer the best deals and fast shipping on all rugged Samsung tablets.
