Store more of what you love

Galaxy Tab A9 and Tab A9+ come with up to 8GB of memory, ensuring less lag while you multi-task. Plus, the built-in 128GB storage saves all your hi-res videos, photos and files. You can expand the storage with a microSD card — up to 1TB. Store more of what you love and delete less.

Split the screen into three. Multiply your productivity

Conquer multiple tasks at once. With Galaxy Tab A9+, you can sketch out architectural plans and choose captivating visuals and video chat — up to three apps all on one screen without ever closing a window.

Surround yourself with rich audio

Take a deep dive into a rich soundscape with speakers that provide an enveloping audio experience. Whether you're enjoying a movie or music, Galaxy Tab A9+ lets you fully engage in 3D sound with stunning clarity and depth.

Secure your peace of mind

Keep your information safe and sound. Store important data in the Secure Folder and monitor the overall security status of your device on the Privacy Dashboard. Make the most of your Samsung Galaxy experience, worry-free of security issues.

Quick Share at hyperspeed

Quick Share

Sharing your photos, videos and documents is fast and easy with Quick Share. Just a few taps and you can instantly send files from your Galaxy phone, Tab or Book to other nearby Galaxy devices — even to multiple devices. Want to send a file to a non-Galaxy device? It's as easy as sending a link.

Never lose track

Continue Apps on other devices

Pick up right where you left off, whenever you need. By simply being signed in to the same Samsung account, you can get back to your notes or internet search without starting all over again while freely switching between your two devices.
