Talk to Google Gemini about what you see

Go Live and share your camera with Gemini on your Galaxy Tab A11+ to get help about what you see. Just long press the side button to get started and share your screen or camera view with Google Gemini to ask for advice. Have a free-flowing conversation that can help you get the answers you're looking for.

Store more of what you love

The Galaxy Tab A11+ offers ample memory and storage capacity. With up to 8 GB of memory and 256 GB of storage, it enables fast, seamless multitasking and support for large files. If needed, you can even expand storage up to 2 TB with a microSD card.

Plays long, powers quickly

Fueled speedily at 25 W charging power, Galaxy Tab A11+'s Super Fast Charging is built to sustain convenient usage for extended periods of time. Whether for work or play, tap into this reliable tablet that lasts long with its 7,040 mAh battery.

Bright, clear display with smooth motion

Enjoy the Galaxy Tab A11+'s smooth and bright display, optimised for entertainment. Its high 90 Hz refresh rate delivers natural, fluid motion for watching videos, playing games, and browsing social media feeds. The display stays bright and clear even under direct sunlight, providing excellent visibility anytime, anywhere.

For your clearer face-to-face moments

Stay closer to everyone who matters, face to face. The Galaxy Tab A11+ comes with a 5 MP front camera for sharper, clearer video calls. Whether you're catching up with family or working with your team, enhanced clarity lets you see every smile and expression in lifelike detail.

Surround yourself with rich audio

The Galaxy Tab A11+ features Dolby-engineered Quad Speakers that deliver a rich, multidimensional audio experience. From your favourite playlists to the latest movies, the immersive 3D sound draws you into a soundscape that's crisp, clear, and deeply engaging. The Galaxy Tab A11+ also comes with a 3.5 mm audio jack, so you can conveniently enjoy your content with wired headphones.
