for the most intense gaming sessions.

## Extreme Responsiveness for Competitive Play

Gain the competitive advantage required in fast-paced titles. The Q27G42XNE minimizes motion blur and image ghosting, allowing for fluid tracking and reaction times critical in esports.

- **Blistering 180 Hz Refresh Rate:** Provides ultra-smooth visuals via DisplayPort 1.4 connection, ensuring every frame is displayed crisply.
- **Ultra-Fast 0.5 ms MPRT Response Time:** Achieves pixel-perfect clarity during high-speed action (1 ms GtG response time).
- **Adaptive-Sync Technology:** Supports VESA Adaptive-Sync, eliminating screen tearing and stuttering by synchronizing the monitor's refresh rate with your GPU's frame output.

## Vibrant Colors and Enhanced Detail

This Fast VA panel is optimized not just for speed, but also for color accuracy and contrast, elevating immersion beyond standard gaming displays. HDR10 support further enhances dynamic range for brighter whites and deeper blacks.

- **QHD (2560 x 1440) Resolution:** Offers four times the pixel density of standard HD, providing superior image detail.
- **Wide Color Gamut:** Reproduces rich and accurate colors, covering 93.1% DCI-P3 and 127.8% sRGB color spaces.
- **High Contrast Ratio:** Features a 5000:1 contrast ratio, ensuring visuals possess depth and clarity, especially in dark scenes.

## Optimized Gaming Experience and Connectivity

The AOC Q27G42XNE includes essential features designed to protect your eyes and integrate seamlessly into any setup. Specialized game modes (such as FPS Mode and RTS Mode) allow you to quickly optimize settings based on the genre you are playing.

- **Eye Comfort Technologies:** Flicker-Free technology and Low Blue Light mode work together to significantly reduce eye strain during extended marathon gaming sessions.

- **Integrated Audio:** Built-in speakers provide convenient sound output without needing external peripherals.
- **Versatile Connections:** Equipped with 2x HDMI 2.0 and 1x DisplayPort 1.4 for broad compatibility with PCs and consoles.
- **Ergonomic Adjustability:** Features tilt adjustments and an anti-glare coating for optimal viewing comfort.

**AOC INTERNATIONAL** is a renowned manufacturer specializing in display technology, committed to delivering high-performance and innovative monitors for gaming, professional, and general use. Known for quality and competitive specifications, AOC monitors meet the demands of users worldwide.
