stable, instant connectivity via the included USB wireless receiver.

Optimized Keyboard Features

This keyboard is built for efficient data entry and navigation, providing quick access to common functions.

- Full-size QWERTY layout with US International localization for comfortable and familiar typing in diverse environments.
- Eight dedicated hot keys providing immediate access to essential functions: internet browsing, calculator, e-mail, volume control, mute, and play/pause media controls.
- Reliable 2.4 GHz connectivity ensuring a stable link with virtually no delays or dropouts.
- Built-in on/off power switch helps conserve battery life when the keyboard is not in active use.

Precision Optical Mouse

The included wireless mouse ensures accurate tracking and comfortable control.

- Reliable 3-button optical mouse featuring smooth, precise 1000 dpi tracking resolution for accurate cursor movement.
- Equipped with a scrolling wheel for easy navigation through long documents and web pages.
- Compact, ergonomic design suitable for extended use by both left and right-handed users.
- Features an on/off power switch to manage battery life effectively.

Seamless Connectivity and Warranty

Installation is straightforward thanks to the included USB wireless receiver, offering a stable 2.4 GHz connection. This dependable connectivity allows you to work or navigate up to 10 meters away from your device. The quality and reliability of this combination are backed by a comprehensive 3-year manufacturer warranty, ensuring long-term peace of mind.

LOGITECH is a globally recognized leader in computer peripherals, renowned for producing high-quality, durable, and ergonomic input devices that enhance productivity across the desktop and mobile computing landscape.
