IIYAMA ProLite T1932MSC-W1SAG 19" Touchscreen Monitor

The iiyama ProLite T1932MSC-W1SAG is a 19-inch touchscreen monitor that utilizes projective capacitive technology. This technology incorporates a glass overlay, providing high durability, scratch resistance, and excellent picture quality. The IPS panel ensures accurate and consistent color production, along with wide viewing angles, making it suitable for various applications.

Features:

- **Projective Capacitive Touch Technology:** Ensures high durability and scratch resistance with a glass overlay.

- **IPS Panel:** Offers accurate and consistent color reproduction with wide viewing angles.
- **Anti-Glare Coating:** Minimizes reflections and external light interference, maintaining color accuracy, contrast, and sharpness.
- **Edge-to-Edge Glass Design:** Provides an eye-catching finish and high light transmission for clear picture clarity and brilliant colors.
- **Adjustable Stand:** Offers full 90-degree positioning angles for optimal viewing comfort.

The anti-glare coating on the monitor helps reduce issues with reflections and external light sources that can affect color reproduction, contrast, and sharpness. The touch function remains unaffected even if the glass is scratched. The solid and steady base supports the touchscreen, featuring an adjustable stand that offers full 90-degree positioning angles. Its edge-to-edge glass design creates an appealing finish with high light transmission, ensuring perfect picture clarity and brilliant colors.

IYAMA is known for manufacturing high-quality monitors with advanced features, catering to both professional and personal use.
