- **IPS Panel Technology:** Delivers natural, highly accurate colors with wide viewing angles.
- **Full HD Resolution:** 1920x1080 resolution ensures crisp and detailed images.
- **Cable Management System:** Integrated system to hide cables for a clean setup.
- **IP54 Rating:** Dust and water resistance from the front, ideal for kiosk integrators and retail environments.
- **Built-in USB Hub:** Includes a USB 2.0 hub for convenient connectivity.
- **VESA Mounting:** Allows for flexible installation options.

The ProLite TF1633MSC-B1 is designed for kiosk integrators and in-store retail, offering superb image quality and reliable performance in demanding environments.

IYAMA is a trusted brand known for high-quality monitors and display solutions, offering innovative features and reliable performance.

Order today from ++SHOP++ as we offer the best prices and reliable shipping.

The ProLite TF1633MSC-B1 uses projective capacitive touch technology, built into an eye catching bezel with edge-to-edge glass. The screen guarantees high durability, scratch-resistance, clarity and a perfect picture performance. Featuring IPS Panel Technology and Full HD (1920x1080) resolution, it offers natural, highly accurate colours and wide viewing angles. The integrated cable management system hides all the cables. In addition to the superb image quality, the screen comes with an IP54 rating, which means the screen and bezel is dust and water resistant from the front. A perfect solution for kiosk integrators and Instore Retail.
