viewing position.

- **Smooth 100Hz Refresh Rate:** Provides noticeably smoother motion display compared to standard 60Hz monitors. This reduction in motion blur improves fluidity for scrolling documents, web browsing, and enhances comfort during extended usage.
- **Full HD (FHD) Resolution:** Enjoy detailed and crystal-clear visuals for all your documents, spreadsheets, online browsing, and multimedia content.
- **Compact 18.5-inch Size:** Perfectly sized for environments where space efficiency is crucial, without compromising on image quality.

Acer is a global leader in hardware and electronics, renowned for providing innovative and reliable computing solutions, including high-performance monitors, laptops, and display technology engineered for durability and efficiency.
