ViewSonic VA2405-H 24 inch Full HD Monitor

The ViewSonic VA2405-H is a 24" Full HD monitor with HDMI and VGA inputs, ideal for both business and home use. It delivers exceptional image quality while maintaining low power consumption. This monitor features six ViewMode presets, optimizing screen performance for various applications, and Adaptive Sync to eliminate screen tearing during games. Eye-Care technology reduces eye strain during long viewing sessions. With VESA-compatible mount support, it's easy to set up on a wall.

Features:

- **Comfortable Viewing:** Flicker-Free technology and Blue Light Filter reduce eye strain during extended use.

The ViewSonic VA2405-h is a 24" Full HD monitor with HDMI and VGA input for business or home usage. Delivering a stunning image quality with low power consumption, this monitor provides six ViewMode presets that deliver optimized screen performance in different applications. Even if used for games, users can move without screen tearing. Besides, the Eye-Care technology helps to eliminate eyestrain from extended viewing periods. With VESA-compatible mount support, this monitor is easy to setup on the wall.

Comfortable Viewing

Flicker-Free technology and a Blue Light Filter help to eliminate eyestrain from extended viewing periods.

Low Energy Consumption

The energy-saving Eco-mode takes energy efficiency into consideration while also offering stunning screen performance.

Color Rendering Options

ViewSonic's unique ViewMode feature offers "Game", "Movie", "Web", "Text", and "Mono" presets. These presets enhance gamma curve, color temperature, contrast, and brightness to deliver an optimized viewing experience for different screen applications.
