Full HD 1080p

Full HD 1920x1080 resolution creates unbelievably clear pixel-by-pixel image performance. Experience mind-blowing clarity and detail while working, gaming, or enjoying the latest show premiere.

Smooth Visuals With 100Hz Refresh Rate

With a fast 100Hz screen refresh rate, you can experience a truly fluid visual display. This results in improved viewing clarity, reduced screen stutter during fast-moving action scenes, and benefits work-related tasks, reducing eye strain and increasing productivity.

Connection Flexibility

HDMI, VGA, and DisplayPort (DP) inputs give you the freedom to connect your monitor to a wider range of devices.

A New Angle on Workplace Ergonomics

Enjoy every detail with advanced ergonomics – swivel, pivot, height adjustment, and a -3.5° ~ 28° ergonomic tilt angle. Each provides a great range of customizable adjustments for maximum comfort. The full ergonomic design also enables you to use the monitor while standing or having a strategic group discussion around the screen.

Eye ProTech+ for Always-on Eye Protection

Work comfortably over extended periods with ViewSonic Eye ProTech+. Combining Flicker-Free technology with a built-in low blue light screen, this monitor helps maintain fresh-feeling eyes and prevent digital eye fatigue at all times without compromising image quality.

Built-in Speakers

Integrated with dual 2 watt stereo speakers as well as incredible screen performance, this monitor provides complete multi-sensory immersion.

Certified Environmental Sustainability

The VG2408A-MHD is an EnergyStar-certified product that can save on energy costs while reducing greenhouse gases. The display is also TCO certified for sustainability.
