brackets (10 mm) for securely adjusting the display height or leveling it.

Features:

- Suitable for screens from 55" to 98".
- Maximum weight capacity of 125 kg.
- VESA compatibility: 100x100 to 800x600 mm.
- Tilt adjustment: +15°/-15° for optimal viewing angle.
- Distance to the wall (max): 9.3 cm.
- Features individual adjustable brackets for screen height or leveling.
- Quickly connectable wall plate allows for multiple screen mounting.
- Wall plate designed with specific cut-outs for wall sockets and securing devices and cables.
- Includes a safe and practical pull & release system for quick attachment and detachment.
- Tilt-lock prevents the display from tilting upwards during installation.

The LEVEL-750 wall mount has a profile of 9,3 cm and is suitable for screens that meet VESA hole pattern 100x100 to 800x600 mm. Its quickly connectable wall plate allows for multiple screen mounting. Additionally, the wall plate is designed with specific cut-outs for wall sockets and securing devices and cables. It features various perforated holes for easy tie-wrap cable fixing and provides space for cable storage, ensuring a clean and tidy finishing.

The WL35-750BL18 includes a safe and practical pull & release system, allowing you to quickly attach and detach the display in a safe and secure manner. The tilt-lock prevents the display from tilting upwards when attaching it on or detaching it from the mount to enable a safe install. It is possible to lock the bracket using a padlock (not included) for extra screen security.

For a simple and effective storage, an optionally available, AV-rack can be installed to the left or right side of the mount.

Neomounts is a company known for providing high-quality mounting solutions for displays and other devices.
