Modelis: VI 750 R1U

Gamintojas: POWER WALKER

EAN: 4260074980394

Prekės kodas: 42870

279.99€

PowerWalker VI R1U series offers slim design. It occupies only 1U of rack cabinet, but what is more, it can be fitted into places never before available for UPSs. It could even fit under your TV table to protect your home theater. Considering the fact that fan is completely switched off in normal operation and LCD dims automatically, neither noise nor LCD shine will disturb your experience.
