Thanks to the premium IPS panel technology, the ProLite XU2293HS-B6 delivers accurate and remarkably consistent color reproduction coupled with ultra-wide 178° viewing angles. Whether you are editing photos, designing web layouts, or reviewing detailed documents, the Full HD (1920x1080) resolution ensures crisp, clear images.

Key Features for Productivity and Comfort:

- **21.5" Full HD (1920x1080) Resolution:** Clear, detailed visuals ideal for office applications and design work.
- **IPS Panel Technology:** Guarantees superb color accuracy, consistency, and wide 178°/178° viewing angles.
- **100Hz Refresh Rate & 1ms Response Time (MPRT):** Provides smoother visual performance than standard 60Hz displays, reducing motion blur.
- **3-Side Borderless Design:** Enables seamless tile installation in multi-display setups.
- **Blue Light Reducer:** Features a blue light reducer function to minimize eye fatigue during long working sessions.
- **Integrated Audio and Connectivity:** Built-in speakers, headphone socket, HDMI, and DisplayPort connections add to its versatility.

The high contrast and brightness values mean the monitor will provide excellent performance across various lighting conditions, making it a reliable tool for demanding users.

iiyama is a renowned manufacturer known globally for producing high-quality, reliable, and performance-driven monitors suitable for professional, gaming, and commercial environments.

Order today from ++SHOP++ as we offer the best prices and fast delivery.

The stylish edge-to-edge design of the ProLite XU2293HS with IPS panel technology offers accurate and consistent colour reproduction with wide viewing angles. High contrast and brightness values mean the monitor will provide excellent performance for photographic and web design. Equipped with speakers, headphone socket, HDMI and DisplayPort connections and a blue light reducer function to reduce eye fatigue, this 21.5" ProLite display is a great choice for both multi-monitor configuration and office applications.
