The iiyama ProLite XUB2292HSU-B6 is engineered for professional environments and users demanding high visual quality and comfort. Its stylish edge-to-edge design makes this 21.5-inch monitor an ideal foundation for seamless multi-monitor configurations, minimizing bezel distraction and maximizing desk efficiency.

## Vibrant Visuals and Speed

Featuring advanced IPS panel technology, the ProLite XUB2292HSU-B6 delivers accurate and consistent color reproduction across wide 178° viewing angles, making it perfect for photographic editing and web design applications. Crucially, the combination of a 100Hz refresh rate and FreeSync functionality provides an instant, tangible improvement in image fluidity and responsiveness, ensuring smooth motion display. With an ultra-fast 0.4ms response time, motion blur is virtually eliminated, offering clear visuals even during fast-paced content.

## Key Features and Connectivity:

- **21.5-inch Full HD (1920x1080) IPS Panel:** Ensures vibrant colors, high contrast, and wide viewing angles (178° H/V).
- **100Hz Refresh Rate and FreeSync:** Delivers incredibly smooth image movement, reducing stuttering and screen tearing.
- **Ultra-Fast 0.4 ms Response Time:** Provides crisp, clear images even during fast-paced action, eliminating ghosting.
- **Ergonomic Stand:** Features 150mm height adjustment for optimal user comfort and customizable posture.
- **Built-in USB 3.2 Gen 1 Hub:** Convenient connectivity for peripherals directly through the monitor.
- **Comprehensive Connectivity:** Includes HDMI, DisplayPort, built-in speakers, and a headphone socket.
- **Blue Light Reducer Function:** Designed to minimize eye fatigue during extended periods of use.
- **Stylish Edge-to-Edge Design:** Perfect for professional multi-monitor setups.

**IYYAMA** is a trusted manufacturer known globally for producing high-quality monitors that excel in performance, reliability, and ergonomic design, catering to professional, commercial, and gaming markets.
