borderless) design ensures near-seamless visual continuity when used in dual or triple screen setups, maximizing desk efficiency and aesthetics.

Exceptional Visual Quality and Speed

Equipped with advanced IPS panel technology, this Full HD (1920 x 1080) display delivers consistently accurate and vibrant color reproduction across wide 178° viewing angles. The high contrast and brightness values make the monitor an excellent choice not only for standard office applications but also for tasks requiring visual precision, such as photographic and web design.

Featuring a smooth 100Hz refresh rate and an ultra-fast 1ms response time, the XUB2293HSU-B7 reduces motion blur, providing crisp imagery that enhances everyday fluidity and user responsiveness.

Ergonomic Comfort and Comprehensive Connectivity

Designed for long working sessions, the ProLite XUB2293HSU-B7 features an ergonomic stand that allows for 150mm height adjustment, ensuring the screen is positioned at the perfect eye level to reduce strain. Additionally, the integrated Blue Light Reducer function minimizes eye fatigue caused by extended screen exposure.

Connectivity is simplified with multiple ports including HDMI and DisplayPort connections. Furthermore, the monitor includes a convenient 2-port USB 2.0 hub, allowing easy connection of peripherals directly to the screen. Integrated speakers and a headphone socket round out the multimedia capabilities.

Key Specifications:

- **Display Size & Panel:** 21.5 inches, IPS Technology.
- **Resolution:** Full HD (1920 x 1080).
- **Performance:** 100Hz Refresh Rate, 1ms Response Time.
