design, this display minimizes bezel interference, making seamless side-by-side configuration effortless. Advanced IPS panel technology ensures accurate, consistent color reproduction and ultra-wide 178-degree viewing angles, maintaining image integrity regardless of your seating position.

Fluid Visuals and Superior Clarity

Experience smooth, responsive performance across all your applications. The Full HD (1920 x 1080) resolution delivers sharp detail, while the fast 100Hz refresh rate and rapid 1ms Moving Picture Response Time (MPRT) significantly reduce motion blur. Integrated AdaptiveSync technology works to synchronize the display's refresh rate with your graphics card, eliminating visual artifacts like screen tearing and stuttering for comfortable extended viewing.

Key Display Specifications:

- **Panel Technology:** IPS (In-Plane Switching) for superior color consistency and wide viewing angles.
- **Resolution:** Full HD 1920 x 1080 at 100 Hz.
- **Response Time:** 1ms (MPRT) for ultra-fast performance.
- **Color Support:** 16.7 million colors, covering 96% sRGB and 72% NTSC color gamut.
- **Brightness:** 250 cd/m² with a high dynamic contrast ratio of 80,000,000:1.
- **Eye Comfort:** Equipped with Flicker-Free technology and a Blue Light Reducer function to minimize eye strain.

Ergonomics and Seamless Connectivity

Designed for optimal user comfort, the XUB2493HSU-B7 features an advanced ergonomic stand that allows for complete positional adjustment. Users can easily customize the screen height (up to 150mm), tilt, swivel, and pivot (rotation) the display, meeting TCO Certified Displays 9 standards.

Connectivity is robust, supporting both digital video and device management:

- **Input Connectors:** HDMI and DisplayPort.
- **Integrated Hub:** 2-port USB 2.0 hub for convenient peripheral connection.
- **Audio:** Built-in speakers and a headphone socket.

IYAMA is a recognized global manufacturer of high-quality display technology, known for producing reliable monitors with excellent performance specifications suitable for both commercial and home users. Since its inception, IYAMA has focused on combining technical innovation with practical ergonomic design.

Order your IYAMA monitor today from ++SHOP++ and experience the perfect balance of visual clarity and operational comfort.

Stylish edge-to-edge design makes the ProLite XUB2493HSU perfect for multi-monitor set-ups. The IPS panel technology offers accurate and consistent colour reproduction with wide viewing angles. The 100Hz refresh rate together with AdaptiveSync function provides an instant, tangible improvement in image smoothness. High contrast and brightness values mean the monitor will provide excellent performance for photographic and web design. Equipped with speakers, 2 port USB, headphone socket, HDMI and DisplayPort connections, a blue light reducer function to reduce eye fatigue and an ergonomic 150mm height adjustable stand for optimal user comfort, make this 24" monitor a great choice for both multi-monitor configuration and office applications.

The iiyama ProLite XUB2493HSU-B7 is a 24-inch desktop monitor designed for performance and versatility. With a native resolution of 1920 x 1080 and a response time of 1 ms, this monitor delivers stunning visuals and smooth gameplay, suitable for various applications from gaming to professional work. The monitor features advanced technologies like FreeSync and Flicker-Free technology, providing a comfortable viewing experience with minimal eye strain.

The ergonomic design includes height adjustment, swivel, pivot, and tilt functionalities, allowing users to customize their setup for comfort. With a brightness of 250 cd/m² and a dynamic contrast ratio of 80000000:1, the monitor produces vibrant colors and deep black levels. Connectivity is made easy with HDMI and DisplayPort options, while the built-in USB hub enhances usability for different devices. This monitor combines style and functionality, making it a practical choice for home and office use.
