The iiyama ProLite XUB2763QSU-B1 is a premium 27-inch monitor engineered for professionals and users who prioritize both visual quality and environmental responsibility. Featuring a high-performance QHD (2560x1440) resolution IPS panel, this display delivers highly accurate colors, exceptional clarity, and ultra-wide 178° viewing angles. With a rapid 100Hz refresh rate and a 2ms response time, the XUB2763QSU ensures smooth, artifact-free visuals, making it ideal for detailed productivity tasks and engaging multimedia consumption.

Commitment to Sustainability and Comfort

This monitor stands out due to its advanced sustainability profile. The housing is constructed from 85% post-consumer recycled materials (PCR), and the product utilizes zero plastic in its packaging, helping to reduce environmental impact. It holds TCO Certification and meets EPEAT® Silver criteria, confirming its ecological design.

User comfort is paramount. The XUB2763QSU features Eye Safe and Eye Comfort Certifications to minimize eye strain during long working sessions. Furthermore, the robust ergonomic stand offers 150mm of height adjustment, swivel, pivot, and tilt capabilities, allowing you to easily find your optimal viewing position.

Key Features:

- **27-Inch QHD IPS Panel:** Quad HD (2560 x 1440) resolution ensures superior sharpness and IPS technology guarantees precise color representation and wide viewing angles.
- **High Performance:** A 100Hz refresh rate combined with a fast 2ms response time delivers fluid motion performance.
- **Ergonomic Design:** 150mm height adjustable stand for optimal user comfort and flexible positioning (pivot, swivel, tilt).
- **Eco-Conscious Construction:** Manufactured using 85% post-consumer recycled materials (PCR) and features zero-plastic packaging.
- **Connectivity Hub:** Includes a built-in USB hub (version 3.2 Gen 1) for easy connection of peripherals.
- **Eye Safety Certifications:** Complies with Eye Safe and Eye Comfort standards to protect visual health.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic products for all your computing needs.

The XUB2763QSU is the product choice for the environmentally aware, a choice that helps drive progress towards a more sustainable future. To achieve this, we use zero plastic to pack this product and the product housing itself is made of 85% post-consumer recycled materials. The monitor is also TCO Certified and meets EPEAT® Silver criteria. To take care of your eye health, it complies with the Eye Safe and Eye Comfort Certifications. Based on IPS panel technology the QHD (2560x1440) XUB2763QSU assures wide viewing angles and highly accurate colours. And the ergonomic, 150mm height adjustable stand guarantees optimal user comfort.
