design, this display is the perfect choice for multi-monitor setups, minimizing bezel distraction and maximizing screen space.

Uncompromised Visual Clarity and Speed

Experience accurate, consistent color reproduction and exceptionally wide 178° viewing angles thanks to the high-quality IPS panel technology. Coupled with a swift 100Hz refresh rate and AdaptiveSync function, the XUB2792HSU-B6 delivers a noticeably smoother image, ideal for fast-paced content, graphic work, and general computing.

- **27-inch Full HD Resolution:** Crisp visuals (1920 x 1080 pixels).
- **IPS Panel:** Ensures consistent colors and wide 178°/178° viewing angles.
- **100Hz Refresh Rate:** Provides immediate, smooth motion handling.
- **Ultra-Fast 0.4ms Response Time:** Minimizes ghosting and motion blur.
- **AdaptiveSync Support:** Eliminates screen tearing for fluid viewing.

Designed for Comfort and Connectivity

User comfort is paramount. This ProLite model features an advanced ergonomic stand allowing for 150mm height adjustment, ensuring the optimal viewing position for long work sessions.

Connectivity is robust, including a built-in USB 3.2 hub, HDMI, and DisplayPort inputs, making it easy to connect peripherals and external devices.

- **Ergonomic Stand:** Features 150mm height adjustment for personalized comfort.
- **Blue Light Reducer:** Function designed to reduce eye strain and fatigue during prolonged use.
- **Built-in USB Hub:** Includes 2 ports USB 3.2 Gen 1 (3.1 Gen 1) for easy device charging and connection.
- **Integrated Audio:** Built-in speakers and headphone socket for multimedia convenience.

IYAMA is a global leader in high-quality display technology, renowned for delivering professional monitors that combine robust performance with essential ergonomic features, catering to demanding business and design applications.

Stylish edge-to-edge design makes the ProLite XUB2792HSU perfect for multi-monitor set-ups. The IPS panel technology offers accurate and consistent colour reproduction with wide viewing angles. The 100Hz refresh rate together with AdaptiveSync function provides an instant, tangible improvement in image smoothness. High contrast and brightness values mean the monitor will provide excellent performance for photographic and web design. Equipped with speakers, 2 ports USB 3.2, headphone socket, HDMI and DisplayPort connections, a blue light reducer function to reduce eye fatigue and an ergonomic 150mm height adjustable stand for optimal user comfort, make this 27" monitor a great choice for both multi-monitor configuration and office applications.
