

SOUND BAR 4.1/S40TR LG

Modelis: S40TR

Gamintojas: LG

EAN: 8806096061404

Prekės kodas: 430218

196.00€

Great depth of sound

An array of 5 channels (4.1) – including rear speakers for immersive surround sound, plus subwoofer for powerful bass - and high power output (400W) provide a cinematic experience for the home.

Clutter free design

The wireless subwoofer and rear speakers are easy to install in your living room. Simply plug the subwoofer and one of the rear speakers into the wall (with a single speaker cable connecting the rear speakers) and they will automatically and wirelessly pair with the sound bar.

AI Sound Pro

Enjoy optimised sound for every scene with the upgraded AI Sound Pro algorithm.

Enhanced compatibility with LG TVs

Enjoy an enhanced experience when connecting to compatible LG TVs. WOW Interface provides ease of use between your LG TV and LG Soundbar – easily control the Soundbar's sound modes through
