Experience brilliant image quality whether you are working on spreadsheets, gaming, or watching movies. The 27-inch screen features Full HD (1920 x 1080) resolution combined with an advanced IPS panel, ensuring excellent color accuracy and consistent picture quality.

- **27-inch Full HD (FHD) Display:** Crisp 1920 x 1080 resolution for clear details.
- **IPS Panel Technology:** Provides superior color accuracy and extremely wide 178° vertical and horizontal viewing angles, ensuring the picture looks clear from almost any position.
- **Optimal Brightness and Contrast:** Features 250 cd/m<sup>2</sup> brightness and a typical contrast ratio of 1000:1, suitable for comfortable viewing in standard lighting conditions.
- **Cinema Mode:** Optimized viewing preset designed to enhance visibility and detail even in dark movie scenes.

## Smart Connectivity and Entertainment Hub

Powered by the intuitive webOS Smart TV platform, the LG 27TQ615S-PZ gives you instant access to your favorite streaming apps and services (subscription may be required). Enhanced connectivity features make it easy to share content wirelessly.

- **Integrated webOS Smart TV:** Access popular streaming platforms directly via Wi-Fi and explore tailored content based on your viewing history.
- **Wireless Sharing:** Utilize AirPlay (for Apple devices) or Screen Share (for Android/Windows) to mirror content easily from your smart devices onto the large screen.
- **Immersive Stereo Sound:** Built-in 2 x 5W stereo speakers deliver rich, realistic audio, eliminating the need for external speakers.
- **Versatile Ports:** Equipped with 2 HDMI inputs, one USB 2.0 port, and Ethernet LAN for flexible connections to PCs, consoles, and media players.

**LG** is a globally recognized technology leader renowned for innovation in display technology, home entertainment, and high-quality consumer electronics. Their monitors and TVs are designed to integrate seamlessly into modern digital lifestyles.

Order today from ++SHOP++ as we offer the best quality electronics and outstanding customer service.

## **Enjoy Both TV and Monitor Together**

LG LED TV Monitor has dual purpose which combines TV and Computer Monitor, presenting a new way of combining technology with lifestyle.

Full HD IPS Display

### **Experience Stunning Visual**

27" Full HD (1920 X 1080) IPS display lets you enjoy great picture quality by bringing color accuracy, visual contrast and sharpness.

Wide Viewing Angle

### **Clear Picture at Wide Angles**

LG TV Monitor with IPS technology delivers accurate colors at wide vertical and horizontal viewing angles. You can experience the same image projection in your standing or seated position.

Cinema Mode

### **Make Your Home Cinema**

When you want to watch a movie in your own space, Cinema Mode's full visibility makes it possible to capture all the important moments, even in dark scenes.

webOS Smart TV

### **The Smart Way to Access Content**

webOS TV monitor helps to explore a variety of TV shows and movies with a simple connection to your Wi-Fi network. Also, you can enjoy tailored video content based on viewing history with built-in streaming service apps.

\*Internet connection and subscription to streaming services are required.

\*Supported services may differ by region.

AirPlay + Screen Share + Bluetooth

### **Smart Wireless Connection**

You can easily share your content from your smart device to your monitor by AirPlay (for Apple devices) or Screen Share (for Android devices). Also, you can enjoy rich sound by Bluetooth pairing.

---

\*AirPlay : Mirroring and streaming available from iOS, iPadOS and macOS devices.
