

ENERGENIE EG-UPS0-2000 Online UPS 2000VA 2x Schuko + 3x IEC socket

Modelis: EG-UPS0-2000

Gamintojas: ENERGENIE (BY GEMBIRD)

EAN: 8716309124829

Prekės kodas: 43078

488.99€

The EnerGenie EG-UPS0-2000 UPS is a high-performance power solution designed to protect and power your critical devices during power outages or fluctuations. With a robust lead acid battery and a comprehensive suite of protection features including overcharge, overdischarge, and short-circuit protection, this UPS ensures your equipment remains safe and operational. Its efficiency rate not only maximizes power usage but also contributes to energy savings. The inclusion of a management USB interface allows for straightforward monitoring and management, providing peace of mind and control over your power supply. Whether for home or office use, the EnerGenie EG-UPS0-2000's power capacity and quick 3 hr charge time make it an essential component of any power backup plan. Its compatibility with generators and double conversion technology ensures a smooth and reliable power supply, making it a smart investment for anyone looking to protect their electronic devices.
